REVIEW OF OPERATIONS:

During the year under review the Company has achieved an aggregate profit before depreciation, interest and tax of Rs. 83.76 lacs against Rs. 68.13 lacs in the previous year 2016-17.

PROSPECT IN THE CURRENT YEAR:

The construction industry is a major contributor towards India's GDP, both directly and indirectly. It employs 33 million people, and any improvements in the construction sector affect a number of associated industries such as cement, steel, technology, skill-enhancement, etc. Indian construction industry is highly fragmented. There are mostly unorganized players in the industry which work on the sub-contracting basis. The construction industry in India forms an integral part of the economy and a conduit for a substantial part of its development investment, is poised for growth. Construction constitutes 40 % to 50% of India's capital expenditure on projects in various sectors. It is the second largest industry in India after Agriculture.

GDP from construction in India increased to 2413.76 INR Billion in the first quarter of 2018 from 2373.76 INR Billion in the fourth quarter of 2017. GDP from construction in India averaged 2095.15 INR Billion from 2011 until 2018, reaching an all-time high of 2413.76 INR Billion in the first quarter of 2018.

India has a bright future for concrete in different forms - including concrete blocks, bricks and pavers. Due to infrastructure projects the demand of concrete based projects is also increasing. Government is also focusing on new development of infrastructure projects to give a new direction of economy growth.

Competition is also increasing in the RMC and other concrete products segment. Big players dominating the Indian RMC market are UltraTech, RMC India (Prism Cements), Godrej and Boyce, India Cements, Madras Cements, Lafarge, RDC Concrete, SVM Readymix India, Ahlcon RMC, IJM Concrete, etc. However, numerous small players have emerged in cities where municipal laws leave construction companies with no choice but to use RMC.

JAINCO PROJECTS (INDIA) LTD.

CIN :L40300WB1991PLC053444

RMC demand is driven primarily by the real estate sector and supported by the infrastructure and industrial sector. This can be attributed to higher awareness of the benefits of RMC usage, higher concentration of large scale projects coupled with focus on quality. With RMC, work gets done more speedily because large volumes can be made available in shorter time than concrete mixed at site. What's more, these batches are of uniform quality, which ensures quality outcomes. Another factor to growth of RMC is especially for environment-friendly. Ready mix solutions - is greater awareness among consumers about the lifecycle costs of the products and their desire to use products that are more green and sustainable. RMC is being preferred over traditional concrete owing to ease of use, greater convenience, economy, and better quality. Furthermore, wastage reduction, low inventory costs, and efficient utilization will lead to the lowering of the overall project expenditures which in turn will augment the product demand over the upcoming years.

RMC is one of the ways for faster, efficient and quality construction systems. RMC is pretty much in demand in all the major cities of India for housing as well as infrastructure development sector. Further Government and Semi-Government Departments are also keen to use RMC for their upcoming Projects to reach the highest target level with lowest investment of time and money. During present year due to blockage of funds with customers, the company took a wise call to stop further supplies and downside production. This led to the reduction in business of the company and the company is actively trying to recover the stuck funds by taking legal recourses available to the company.

DIVIDEND:

The Board believes that it will be prudent for the company to conserve resources in view of future expansion programs in line for the coming year, which will enhance the profitability to a great extent. Hence, your directors are not recommending any dividend for the Financial Year 2017-18.

INSURANCE:

The Assets of the Company including building, plant & machinery, etc are adequately insured.

INDEPENDENT DIRECTORS:

Presently, Shri Nilesh Chopra, Shri S M Gunecha* & Smt Rekha Chkraborty are the Independent Directors of the Company.

*Shri S M Gunecha has resigned from the Board w.e.f. 7th December, 2017.

BOARD EVALUATION:

The Board considered the independence of each of the above mentioned Directors in terms of section 149 and schedule IV to the Companies Act 2013 and Regulation 25 of SEBI (LODR) Regulation, 2015 and was of the view that the directors fulfill the criteria of independence as mentioned in the above provisions. A structure of questionnaire was prepared after taking into consideration various aspects of Board's functioning. The performance evaluation of Independent Directors was carried out by the Independent directors and the Board of Directors expressed their satisfaction with the evaluation process.

STATUTORY AUDITORS:

At the Annual General Meeting held on 30th September, 2016, M/s. N. Behera & Co., Chartered Accountants, were appointed as statutory auditors of the Company to hold office until the conclusion of the Thirtieth Annual General Meeting to be held in the calendar year 2021.

ANNEXURE '1' TO DIRECTORS' REPORT

MANAGEMENT DISCUSSION AND ANALYSIS:

RMC has helped in creating and boosting the demand for bulk cement. In fact, both are mutually complimentary and nurturing RMC would go a long way in modernizing the construction sector. Besides, both are today considered to be eco-friendly practices as they have the ability of minimizing wastage of raw materials and reducing pollution. RMC producers in India have the advantage of adopting the latest-generation plant and equipment, and many of the RMC facilities in India have state-of-the-art plants, with sophisticated micro-based controls having ability of accurate weighing and batching, automatic charging, adjustments for moisture compensation, inventory control, etc., besides having a fleet of transit mixers of various capacities, most of these plants possess well equipped facilities for pumping concrete.

RMC is preferred to on-site concrete mixer because of the mixture and reduced worksite confusion. It facilitates speedy construction through programmed delivery at site and mechanized operation with consequent economy. It also decreases labour, site supervising cost and project time, thereby resulting in savings, proper control and economy in the use of raw materials. It assures consistent quality through accurate computerized control of aggregates and water as per mix designs. It minimizes cement wastage due to bulk handling and there is no dust problem and therefore, pollution-free.

The growth of RMC in India was predominantly driven by demand from metros (Tier-1) and Tier-2 cities. But now, since the focus has shifted to Tier-3 & 4 cities, the demand for RMC has shown steady increase. With the development of Modern Technology coupled with Industrial Growth, the requirement has been multiplied and accordingly the Company has to rise on the occasion even in the face of stiff competition. Therefore the Company has to give importance for maintaining suitable combination of technical know - how to reap the advantages of the growing market condition in the Construction Sector.

FINANCIAL PERFORMANCE REVIEW OF THE COMPANY:

Despite a challenging business environment and increase in competitive intensity, and impact of blocked funds with customers are seen in its performance. A critical appraisal is made by the Audit Committee before drawing Statement of Accounts and the Board also reviewed the same on each occasion.

- Total income is Rs. 401.66 lacs.

INDEPENDENT AUDITOR'S REPORT

To

The members of **JAINCO PROJECTS (INDIA) LIMITED**

Report on the Standalone Financial Statements

We have audited the accompanying financial statements of **JAINCO PROJECTS (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report on Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

1. In conjunction with our audit of the financial statements of **Jainco Projects (India) Limited** ("the Company") as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting (IFCoFR) of the company as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that
 - (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts

JAINCO PROJECTS (INDIA) LTD.

and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

- 7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

22	Corporate information
	The Company was incorporated in 1991 and has CIN No. L40300WB1991PLC053444.
23	Significant Accounting Policies
	"The Company is a Small and Medium Sized Company as defined in the General Instructions in respect of Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended). Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company."
23.1	Basis of accounting and preparation of financial statements
	The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on accrual basis under the historical cost convention.
23.2	Use of estimates
	The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.
23.3	Inventories
	Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty. Further variation between book stock and physical stock detected on physical verification, obsolete & slow moving stocks are adjusted in accounts as found appropriate. Stock of assets whose title belongs to company but which are not in custody of company are removed.
23.4	Cash and cash equivalents (for purposes of Cash Flow Statement)
	Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.
23.5	Cash flow statement
	Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
23.6	Depreciation and amortization
	Depreciation has been provided on the straight-line method as per the rates calculated on basis of life estimates prescribed in Schedule II to the Companies Act, 2013. No Depreciation has been provided on Printing Cylinder as no income has been generated from the said asset.

Note 23 Significant accounting policies (contd.)

Note	Particulars
23.7	Revenue recognition
	<p><u>Sale of goods</u> Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales exclude excise duty, sales tax and value added tax. GST has been implemented with effect from 1st July 2017 and therefore revenue from operations for the quarter ended 31st December 2017 and 31st March 2018 are net of GST. Revenue from operations and expenses for the quarter and year ended 31st March 2017 and year ended 31st March 2018 being inclusive of excise duty are not comparable with corresponding figures of quarter and year ended 31st March 2018.</p>
23.8	Other income
	<p>'Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.</p>
23.9	Tangible fixed assets
	<p>Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.</p>
23.10	Employee benefits
	<p>Employee benefits include provident fund, superannuation fund, gratuity fund, compensated absences, long service awards and medical benefits.</p> <p><u>Defined contribution plans</u> The Company's contribution to provident fund is considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.</p> <p><u>Defined benefit plans</u> For defined benefit plans in the form of gratuity fund the company has made arrangement with Life Insurance Corporation of India.</p>
23.11	Borrowing costs
	<p>Borrowing costs include interest, amortisation of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets.</p>
23.12	Segment reporting
	<p>The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. Being primarily engaged in the trading nature of business, the company does not prepare segment reporting.</p>

Note 23 Significant accounting policies (contd.)

Note	Particulars
23.13	Earnings per share
	Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is same as company has no dilutive potential equity shares.
23.14	Taxes on income
	Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.
23.15	Impairment of assets
	The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.
23.16	Provisions and contingencies
	A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Contingent liabilities are not recognised but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.
23.17	Balances
	Balances of Sundry Debtors, Unsecured Loan & Advances and Sundry Creditors are subject to the confirmation and reconciliation.
23.18	Other Notes
	The deposit shown in the Balance Sheet is the trade deposit which will not attract the provisions of Section 73-76 of the Companies Act,2013 All amounts disclosed in the Financial Statements and notes have been rounded off to the nearest Lakhs (with two decimal places) as per the requirements of Schedule III, unless otherwise stated.
